OFFICE OF THE DIRECTOR,

Dated, Bangalore, 9th March 1929.

FROM

(Bangalore, India.)

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

D.C. 877-28-1

SIR,

I have the honor to state that I am frequently approached by persons intending to erect industrial installations to place orders with the manufacturers or their representatives for machinery required by them. In some cases, the parties deposit an advance which is usually required by the firms and undertake to pay the balance on receipt of the Bill of Lading or the Railway Receipt as the case may be. In a few cases the parties applying for the Hire Purchase Loans want the Department to place orders for the machinery before the -- loan is sanctioned giving an undertaking to pay off the value of -- machinery in case the loan is not sanctioned.

Rule 5 of the rules for the Levy of Fees to be charged for the services rendered by the Department to private industrial installations provides for this assistance being given by the Department. I enclose herein a draft of the agreement which I obtain from the applicants for assistance in such cases for the information of Government. The agreement provides for the payment of the balance of the money by the party as soon as the plant is received or payment is demanded by the firm selling the machinery, and on failure of payment, the Director is authorised to sell the plant and pay from out of the sale proceeds the money due to the firm, the balance, if any being paid to the -- party. In case the sale proceeds are not sufficient to meet the -- money due to the firm the agreement provides for the outstanding -- amount being recovered as an arrear of Land Revenue from the party

2 by proceeding against his moveable and immoveable properties.

I request the approval of Government to this arrangement.

I have the honor to be,
Sir,
Your most obedient servant,

C Ranganatha Rao Sahib
Director.
